

# DEEP FREEZE SKATING CLUB ASPIRE 360 PROGRAM

This is a new accelerated program for skaters that are ready to move on to the next step after Learn to Skate. We will be working on advanced skills to build on what you have already learned. The group will be taught by our experienced coaching staff. They will move you onto the next level of skating on your way to preparing for USFS testing. Whether you are working with a private coach or you just want to learn while participating with a group, we want you to join this team. This is a great opportunity to learn more about what it's like to belong to the Deep Freeze Skating Club and forge your future as an individual skater or as a team member.
