

DFSC SUMMER ICE CODE OF CONDUCT AND ICE ETIQUETTE

- ❄ One All Summer Access pass is for one skater on the ice at a time. Skaters or coaches who purchased a pass to share must ensure that skaters are not entering the ice early or remaining longer so that only one skater is on the ice per pass.
- ❄ Please pick up all belongings (tissues, water cups, bottles, etc.) at the end of the session.
- ❄ While in lesson or practice, it is the skater's responsibility to always be conscientious and aware of other skaters around them.
- ❄ Skaters must skate with the flow of other skaters and familiarize themselves with the most commonly used areas for jumps and spins (see included diagram for jump/spin zones).
- ❄ The only time a skater has the SOLE right of way is when they are skating their program to music. When you hear another member's music, please extend that person the courtesy and move out of their path momentarily. This only takes a moment and you will enjoy the same courtesy while you are performing your program.
- ❄ Advanced skaters are expected to exhibit patience toward beginner skaters. Remember, you were an inexperienced skater once, and it takes time for our future generation to advance to the point where they are completely comfortable skating with all levels of skaters.
- ❄ Remember to look both ways before leaving the railing or skating across the ice.
- ❄ Keep moving while on the ice, as it is dangerous for both you and other skaters to stand still during a session. It is especially important not to stop in the middle of the ice or any of the jumping corners.
- ❄ When the ice resurfacers enter the ice, all skaters and coaches must leave immediately. If you are skating to your music, please stop skating immediately and clear the ice — no exceptions.

Right of Way and Music

- ❄ The skater doing a routine to music has the right of way. Please stay aware of which skater is doing a routine and do your best to stay clear.
- ❄ Skaters taking a lesson have the right of way over general skaters in the session.
- ❄ Skaters on the harness also have the right of way. Please be careful of the harness area.
- ❄ Program music will be played on a rotational basis. This will be done on the honor system, with the responsibility left to the skaters and coaches.
- ❄ After a skater's music has been played, their music or another program may be put at end of the line to re-enter the rotation.
- ❄ Not everyone will be able to play their music on full sessions due to lengths of programs.
- ❄ Coaches may put the music of the student they are teaching ahead of other skaters. Everyone should appreciate this policy when they are in a lesson enjoying this privilege and graciously accept this policy when they are the ones being asked to wait in line.
- ❄ Please do not stop and restart your music if others are waiting in line.
- ❄ Please handle the music equipment with extreme care.

Prohibited Behavior

- ❄ Kicking, digging holes, scraping or stomping the ice with your blades and kicking the railings are prohibited. Any skater engaging in this behavior will be asked to leave the session immediately.
- ❄ Being verbally abusive to skaters or coaches is prohibited. Any skater engaging in this behavior will be asked to leave the session immediately.
- ❄ Deliberately challenging, scaring or intentionally blocking another skater is prohibited. Any skater engaging in this behavior will be asked to leave the ice immediately for an indefinite period of time.
